EDUCATION

2021 - 2024
UNIVERSITY OF RWANDA
- Bachelor of Information Systems

2017 - 2019
E S R
- A2 of Mathematics Computer science and Economics(MCE)

SKILLS

TECHNICAL SKILLS:

1.Software Development
  -Mobile Development
 -Fullstack Development
 -Database Programming

2.Programming
Languages & Frameworks:
- JavaScript: React.js, Node.js
- Java: Spring Boot
- Dart: Flutter
- PHP: Laravel

PROFILE

I am an experienced Full Stack Developer with a strong background in developing scalable web applications using React.js for the front-end and Spring Boot and Node.js for the back-end. Proficient in designing and implementing RESTful APIs, ensuring high performance and responsiveness. Excel in agile environments and collaborating with cross-functional teams to deliver innovative solutions. Committed to continuous learning and adapting to new technologies to stay at the forefront of the industry.

WORK EXPERIENCE

KLAB   Sept 2023 - Dec 2023
Tech up skill-Front End Developer

- Developing user-centered designs with Figma to create intuitive and visually appealing interfaces.
- Building responsive web applications using React.js, SCSS, and Tailwind CSS to ensure high performance and scalability.
- Coordinating cross-functional teams and managing project deadlines to ensure timely delivery of tasks.

ICT CHAMBER   July 2023 - June 2024
Talent 4 Startups- Full Stack Developer

- Building scalable web applications with React.js for front-end and Spring Boot and Node.js for back-end services.
- Implementing microservices with Docker for containerization and Kafka for real-time data streaming.
- Managing full project lifecycles, ensuring high-quality solutions using React.js, Spring Boot, Node.js, Docker, and Kafka.

AMI RWANDA   Dec 2023 - June 2024
Internship

- Collaborate with team members and contribute to project discussions, effectively communicating ideas and solutions
- Apply productivity techniques to manage tasks and meet deadlines, ensuring efficient workflow and project progress.

TECHNICAL SKILLS:

3.Tools & Technologies:

Application softwares:

- MS Word
- MS Excel
- MS Acess
- MS ppt

4.Hardare Maintenance skills:

- Network configuration and security
- Technical support and troubleshooting

DESIGN SKILLS:
-UI/UX DESIGN

SOFT SKILLS:

- Effective Communication: Clear and Concise Communication, Client Interaction
- Leadership: Team Leadership, Project Management
- Time Management: Deadline Management, Prioritization
- Problem Solving: Analytical Thinking, Creative Solutions
- Adaptability: Flexibility, Quick Learning

LANGUAGES

- English (Advanced)
- Kinyarwanda (Fluent)

WORK EXPERIENCE

DIGITAL FONDATION SKILLS
Dec 2023 - Aug 2024

Training

- Gaining expertise in computing fundamentals to navigate and innovate in the ever-evolving digital landscape.
- Building advanced networking skills to design and manage robust and secure communication infrastructures
- Strengthening IT security capabilities to safeguard information systems against emerging cyber threats

HP LIFE
May 2024 - Aug 2024

Training

- Acquiring proficiency in cybersecurity protocols to defend against cyber threats and ensure data integrity
- Developing advanced skills in threat detection and response to protect critical systems from unauthorized access.

JASIR
May 2024 - July 2024

Remote Job

- Mastering the Flutter framework to create high-performance, cross-platform mobile applications with a seamless user experience
- Implementing state management techniques in Flutter to build scalable and maintainable mobile applications.
- Leveraging Flutter's rich set of widgets to design intuitive and visually appealing mobile interfaces for both Android and iOS.
